The Nicolaus Copernicus University in Torun, Jurija Gagarina 11, 87-100 Toruń, Poland is the controller of personal data and processes the data received during the conference registration and further use of the site.

The University undertakes to comply with the security policy and to protect the privacy of conference participants. This Privacy Policy defines the rules, storage and processing of data collected during the use of the online conference service.

Rules for data storage and use

1. At the time of registration for the conference, the user's data is saved in the database and stored for the period necessary to manage the conference. The user has the right to inspect this data, and to modify and delete it.
2. The collected data is used only for the purposes of conference management, e.g.: participant registration, informing about changes and events concerning the conference, enabling online payments, or using the local wi-fi network.
3. The data will be processed only by the conference organiser and will not be transferred to third parties/entities.
4. By providing your data, you agree to its storage and processing.
